BNP PARIBAS : Maybank AM Singapore, BNP Paribas ink deal

09/08/2014 | 11:18pm US/Eastern • Recommend:   0

KUALA LUMPUR: Maybank Asset Management Singapore has appointed BNP Paribas Securities Services for fund servicing solutions, including global custody, fund administration, reporting and trustee services. The appointment comes as Maybank AM Singapore prepares to launch a range of funds compliant with the new standards defined by the Standards of Qualifying Collective Investment Scheme framework, known as the "Asean Funds Passport scheme".
