Islamic: Maybank Asset Management launches first Islamic equity fund

KUALA LUMPUR: Maybank Asset Management Sdn Bhd, the asset management arm of Maybank Group today launched the first Islamic equity fund called Maybank Boseru Greater China Asean Equity-i Fund.

Chief executive officer of Maybank Asset Management Group Nor Azamin Salleh said on Tuesday that with the new product, it aimed to tap into equity markets in China and Asean.

He said the fund offers investment opportunities in three different classes with minimal initial investment for retail investors at RM1,000 or US\$1,000.
